

THE READ AND FOLLOW DIRECTIONS TEST

NAME: _____ DATE: _____ TEST SCORE: _____

TEST DIRECTIONS: This test will be a measure of your ability to read and follow directions. You are to choose one correct answer for each of the following questions. Your answers should be placed in the space provided to the left of the questions of this test unless you are directed to do otherwise. Read entire Test (all questions) before you begin to answer any of the questions. You will have 10 minutes to answer the 10 questions.

- _____ 1. Multiply 4 x 15.
- _____ 2. Subtract the result of question number 1 by 50.
- _____ 3. Is New York called Garden State? (Answer YES or NO).
- _____ 4. Is New Jersey called the Empire State? (Answer YES or NO).
- _____ 5. Are you sure that you have read the directions to this test properly? (Answer YES or NO). If the answer is NO, you may wish to reread the at this time.
- _____ 6. Circle the questions numbers for which you are sure that you gave the correct answer.
- _____ 7. If you read the directions and questions carefully, how many marks should there be on this test paper for the first 6 questions?
- _____ 8. What color does a mixture of blue and green make?
- _____ 9. How much time do you have left at this point in this test?
- _____ 10. Now that you have followed the directions of this test by reading all of the questions before beginning to answer any of them, put your pencil down and sit quietly. Do nothing to give away to the other students what you have learned about the purpose of this test, especially to anyone sitting near you.
